## WHAT NEXT?

Everybody in Tonopah watch for the arrival of the Model 1916 OLDS-MOBILE, now en route from the factory. Those contemplating buying a car should see this twentieth century wonder before investing. A new conception—not yet a month old—hardly cold from factory molds.

## ALL THREE FIGHTS GO TO THE DRAW

## HALF HUNDRED TONOPAHNS GO TO GOLDFIELD TO WITNESS BATTLES

A large audience of fight fans assembled in the Hippodrome theater at Goldfield last evening to witness three fistie duels staged under the management of Jake Goodfriend. Of those present about fifty went over from Tonopah by auto. Senator Arnold officiated as referee. Jake Goodfriend was announcer and J. G. Thompson held the watch.

The first preliminary was between Duff and Stanley. They did quite a bit of stalling, but finished in a good draw. Smith and Harrison went ten rounds to a draw. Smith surprised everybody, inasmuch as he gave Harrison the best fight he has had in southern Nevada.

The main event was between Jack Dempsey and Johnny Sundenberg. After feeling each other out for two rounds, with the honors about even, Sundenberg realized that owing to the greater height, longer reach and extra weight of his antagonist he would have to force the fighting in order to win. Dempsey took advantage of the openings thereafter and it resulted in a good fight for the remaining eight rounds. This was also declared a draw, some dissatisfaction being expressed over the decision.

## CORDIAL WELCOME IS EXTENDED TO NEVADANS

## STATE SOCIETY IN CONNECTION WITH EXPOSITION ELECTS OFFICERS

The Nevada Society of California, one of the largest of the various state societies formed in connection with the exposition for the entertainment of visitors from the home states, held its regular monthly meeting in San Francisco recently. It was the annual election of officers, and a large delegation was on hand to add interest to the event. Dr. John A. Haderle was unanimously re-elected president—an honor well deserved, as he has done much toward making the society's first year a great success. Other officers elected for the ensuing year were: First vice president, Miss Lilly Burke; second vice president, James A. Stephens; third vice president, Fred Bogel; secretary, William T. Locke (re-elected); corresponding secretary, Miss Nita Diamond; treasurer, Albert Michelson. Cards and dancing followed the election of officers.

The next meeting of the society will be held at the Nevada state building at the exposition. In accepting the invitation of those in charge of the Nevada building, all members pledged themselves to make the affair abound with Nevada good cheer, which generally pervades where former Nevadans assemble.

The society numbers among its members many whose names are linked with the early history of Nevada, as well as those who had lived there in later years. Any Nevadans visiting in San Francisco during exposition year will be cordially welcomed by the society at any of its social gatherings.

MRS. WILLIAM BAIRD, who had been visiting relatives here for the past month, returned to her Reno home this morning.

## INDEPENDENCE DAY TO BE CELEBRATED

## PRELIMINARY ORGANIZATION IS FORMED FOR THE FOURTH OF JULY OBSERVANCE

A meeting of citizens was held last evening in the office of the Sprague Brokerage company for the purpose of making preliminary preparations for a two day celebration of the Fourth of July in this city. W. M. Gotwaldt was chosen temporary chairman and H. D. King temporary secretary. A number of remarks were made as to the best method of procedure. It was decided to issue a call for a mass meeting to be held at the same place on Wednesday evening at 8:15 for the purpose of making the organization permanent and selecting the various committees. In addition to the published notice of the committee, a notification committee, consisting of Rev. R. W. Bayless, Nick Ahleman, Frank Cavanaugh and Art Keenan, was appointed to give personal notification to all business men and citizens generally to be present.

The secretary was instructed to address letters of invitation to the managers of all mining companies, county and city officials, representatives of all fraternal organizations and labor unions in the city to be present at the meeting. He was also directed to send letters to each of the four southern Nevada counties notifying them that Tonopah would have a mammoth celebration and requesting the people there to come to Tonopah for the occasion instead of celebrating at home. The meeting then adjourned to Wednesday evening.

## ON TRAIL OF THE MEXICAN FUGITIVE

## JESUS COSTELLO STOLE HORSE ON WHICH HE MADE HIS ESCAPE

Chief of Police Evans is still camping on the trail of Jesus Costello, the halfbreed Mexican who attacked Indian Sallie with an axe and then escaped to the hills. The only clew to the direction he took was his stealing a horse at McKinney's tanks, to which place he made his way afoot. Officers in other counties have been furnished with a description and they are on the lookout. The Indian woman has recovered consciousness and it is not thought that she will die as the result of her terrible injuries.

## MOORE AND BRATTON WILL BE THE CARD

## FISTIC CARNIVAL TO TAKE PLACE AT THE AIRDOME ON JUNE ELEVENTH

With the arrival of Roy Moore, bantamweight champion of the Pacific coast, articles were signed by him and Jack Bratton to fight here at the Airdome June 11th for the featherweight championship of the coast.

Moore will train in Goldfield as he has a host of close friends there and the following he has had in other parts gained by his gentlemanly manner presages a backing like no man has had in southern Nevada and as Bratton needs no boosting in Tonopah nobody can back down on their favorite until after the contest and indications are for the greatest ten-round contest the west has been given an opportunity to see in many a year.

Bratton and Young Ross, who meets Johnnie Sundenberg for a \$250 side bet in a grand special event of 10 rounds, may be seen in action daily at the volunteer firemen's gymnasium at 2:30 p. m.

Classified ads in the Bonanza will reach the homes of all in Tonopah. Try an ad to rent your rooms and for table board.

## BUTLER THEATER

"The New Exploits of Elaine," a picture that always has something new in store for the picture fans, it is not only interesting but it is an educational production. The fable of "The Man at the Woman's Club," one of those real-to-life George Ade comedies, something that happens every day. Lots of laughter throughout the picture. "The Vindication," a very good one-reel drama. Miss Gloria Mayne will entertain in a new high class musical act. Sure to please all lovers of music.
